

Only You – Yazoo

(Intro as verse)

(F) (C) (Dm) (C) (Bb) (F) (C)

(F) Looking from a **(C)** window **(Dm)** above

It's like a **(C)** story of **(Bb)** love

Can you **(F)** hear **(C)** me?

(F) Came back only **(C)** yester**(Dm)** day

I'm moving **(C)** farther a **(Bb)** way

Want you **(F)** near **(C)** me

(Bb) All I needed was the **(C)** love you gave

(F) All I needed for an **(Dm)** other day

And **(Bb)** all I ever **(Csus4)** knew

Only **(F)** you

(F) Sometimes when **(C)** I think of her **(Dm)** name

When it's **(C)** only a **(Bb)** game

And I **(F)** need **(C)** you

(F) Listening to the **(C)** words that you **(Dm)** say

It's getting **(C)** harder to **(Bb)** stay

When I **(F)** see **(C)** you

(Bb) All I needed was the **(C)** love you gave

(F) All I needed for an **(Dm)** other day

And **(Bb)** all I ever **(Csus4)** knew

Only **(F)** you

(F) This is gonna **(C)** take a long **(Dm)** time

And I **(C)** wonder what's **(Bb)** mine

Can't take **(F)** no **(C)** more

(F) Wonder if **(C)** you'll **(Dm)** understand

It's just the **(C)** touch of your **(Bb)** hand

Behind a **(F)** closed **(C)** door

(Bb) All I needed was the **(C)** love you gave

(F) All I needed for an **(Dm)** other day

And **(Bb)** all I ever **(Csus4)** knew..

And **(Bb)** all I ever **(Csus4)** knew..

And **(Bb)** all I ever **(Csus4)** knew..

Only **(F)** you
